CHRISTMAS TREE
FESTIVAL

2022

12th - 27th November 2022
In partnership with
The Friends of Margam Park

Margam Country Park is pleased to be organising a
Community Christmas Tree Festival for 2022.

This special event aims to bring Park groups, community groups, schools, businesses, visitors ... together making a beautiful festive display for all to enjoy.

The festival will be staged in Margam Castle and will be open to visitors to enjoy from Saturday 12th November through to Sunday 27th November.

Visitor Entry to the festival will be by donation.

You can get involved by entering a tree into the festival.

You will need to provide a decorated tree.

Your tree can reflect you, your organisation or could be your interpretation of Christmas. It is really up to you how you do it, whether it has a colour theme, hand-made decorations or something completely different! All are welcome!

- Key Information:
- Trees should be artificial (to save watering and to protect the floor!).
- The floor space provided for each tree is 6 ft wide and 4 ft deep.
- Smaller trees are very welcome, please provide your own small table if needed.
- The trees can be in the form of handmade sculptures - get creative!
- Power in the Castle is very limited so any lights will need to be battery operated.
- Please provide a name tag for your tree for visitors to read and find out who made it.
- The event will have stewards onsite, and the trees will be locked in the building overnight however they will be left at your own risk.

- The trees will need to be brought to the castle and set up on Thursday 10th or Friday 11th November - between 9.30am and 3.30pm
- Trees will need to be collected at the end of the festival on Monday 28th November between 9.30am and 3.30pm.
- Entering a tree is FREE however you can make a donation which will go towards the festival organisation costs with any excess going to helping manage the Park.
- If you have any questions contact Alison Lloyd, a.lloyd@npt.gov.uk 01639 881635

Now is the time to return your form so you can take part!

Please complete and return the entry form by 1st October so that we can plan the space and produce the festival programme.

If demand for space is high the spaces for the trees will be given to those whose booking forms are received first.

Do tell everyone you know to pop to the Park during the festival period to see the displays.
